

Lyrik portable classroom audio

The most versatile audio solution in education

The Lyrik is a powerful portable classroom audio solution that ensures teacher intelligibility in class, online, and anywhere on campus.

Ideal for In Class, Online, Media Carts, Practice Fields, Gyms, Assemblies and more!

- Saves the teacher's voice – no more having to yell across the room or playing field or over outside noises and students.
- Just charge and go. All accessories come along in the convenient carry and play bag!
- On-the-go operation using the optional headset mic.
- Easily connects with mobile devices, media players, smart panels, and more.
- Can amplify two teachers at once.
- Amazing sound coverage – can cover up to 230 feet (70 meters).
- Built-in Bluetooth® allows wireless audio streaming from multiple Bluetooth®-enabled devices such as phones, TVs and tablets.
